

FIORDLANDJET

Te Anau, NZ

Risk Disclosure

Fiordland Jet is committed to delivering a safe and enjoyable experience. While we follow strict safety protocols in order to take all reasonable care to ensure the safety of our guests and minimize potential hazards, there is a level of inherent risk involved while participating in our activities.

The risks and hazards on a jet boat include but are not limited to: collisions with obstacles (rocks, trees, debris, other vessels), high speed manoeuvres ('spins'), grounding the jet boat, capsize, and mechanical failures which may result in minor/major injuries. While rare, serious accidents/incidents can occur resulting in serious injury or death.

When 'spins' are performed, most commonly minor injuries can occur from contact with the side of the boat or passengers sliding into others - if at any point you feel uncomfortable, please alert your driver immediately.

If a tour includes a guided walk or beach landing, you are under no obligation to participate and may choose to remain in the boat if you feel uncomfortable or unable to disembark. Risks and hazards during on/off-loading and walk include but are not limited to: slips, trips, falls and falling trees/objects that may result in: broken bones, contusions, and other minor/major injuries.

You must follow the instructions of our team at all times, be capable of undertaking the activity, and not be under the influence of drugs/alcohol. Weather changes can add challenges requiring extra precautions, including alterations to the tour.

Being in a remote location may delay emergency medical help especially in the case of natural disaster/earthquake - as we operate on a known fault line.

While activities are inclusive, certain health conditions may affect suitability. Please ensure you discuss any medical concerns or physical limitations with your driver/guide or our team before booking/commencing on a tour.

If you have any further questions/concerns, or do not wish to participate, please speak to a member of our team immediately.
